

Umi *only* makes shoes for children.

EVERY STEP YOUR CHILD TAKES IS AS IMPORTANT AS THEIR VERY FIRST.

PRAM  Babies are born with perfect feet. UmiPRAM keeps them that way. UmiPRAM shoes are easy to put on and keep on and provide great comfort for baby's first moves. They keep the littlest feet safe and snug.

PRIMERO  New toddlers deserve shoes that can keep up with them. UmiPRIMERO is developed with increased protection, lightweight support, and natural contours to keep little walkers stable on their feet.

GIRL  She's always on the go. Her shoes take her to school, sports, and sleepovers. She longs for sophistication but needs shoes that keep pace with her life. UmiGIRL shoes are supple and supportive, lightweight, and comfortable.

BOY  He's busy from dawn until bedtime. His feet are always in motion, and he needs shoes that work hard. UmiBOY shoes are up to the challenge. They twist and flex, with great traction and lasting support.

INTRODUCING UmiPRIMERO[®], SHOES TO BE PROUD OF.

What milestone is bigger than learning to walk? UmiPRIMERO shoes celebrate and support this new stage. They're built for success, to help first walkers develop skill and confidence. During this exciting transition, a child's feet are in the spotlight, and UmiPRIMERO shoes deserve to be right there with them.
